Applicant agrees to perform all work in accordance with the rules, regulations, and standards of Vallejo Flood and Wastewater District and the Uniform Plumbing Code. All work shall be subject to inspection and approval by the District. All encroachment permits are revocable at any time by the District. Applicant shall indemnify, defend, and hold the District, its officers, agents, and employees harmless from any and all claims, suits or liability, including, but not limited to, litigation costs and attorneys' fees that the District may incur as the result of any and all claims and suits for personal injury, property damage, or inverse condemnation by reason of applicant's placement of/or maintenance of encroachments authorized by this permit. No work shall commence until permit is issued. By signing here, the applicant acknowledges reading and understanding each of the conditions listed on this application.

I certify that the above information provided in this application, and any attachments, are true and correct to the best of my knowledge.
